Dear Kent,

How are you? It has been a few years since we last spoke while I was at United Way. I think one of my last events was our trip to Sacramento to advocate for the creation of a State Affordable Housing Trust Fund. I hope all has been well for you since that time.

I am now at the Mayor's Office working with Greg Spiegel- formerly of Inner-City Law Center- on homelessness policy. I just started in October, but have hit the ground running.

On Monday, December 14, 2015 at 2:45 pm, Mayor Garcetti is hosting an intimate Round Table with a small group of BID representatives that I would like to invite you and a guest (board member, staff, property owner) to attend.

This meeting is invitation only and will provide BID operators such as yourself an opportunity to share challenges, concerns, creative ideas, and possible solutions with the Mayor in a safe environment. He will also share the current status on what he has been doing to address the issue from the City perspective.

Would you be interested and available? If so, I will just need you to confirm and the name of your guest by tomorrow, December 11th at noon. Also if you will need parking in City Hall East, I will just need to know the model of your car and license plate number.

Please let me know if you have any questions.

Warm regards,

Alisa
